

BIRTHDAY PARTIES

Come see what all the excitement is about! Book your son or daughter's birthday party at Panther Cheer Athletics and be confident that the children will all have a fabulous, fun-filled time in our 6,000 sq ft facility. Choose from a "Power Cheer Party" or a "Dance Party".

All birthday parties are booked for 2 hours. Our party room is supplied for parents to bring refreshments, cake and decorations. Our coaches will take care of the rest!

Participants will learn a mini cheer or dance routine which will be performed for the parents at the end of the party. The first hour is instruction time in the gym (warm-up activities, games, use of equipment and choreography by PCA staff) followed by 30-45 minutes in the birthday party room for food/cake/presents and ending with 1/2 hour back in the gym to finish off the party with final routine construction, games and the final performance for parents.
